Professional translation services for websites, brochures, documents and software. Grow your business internationally with STAR Translation.

We work with companies across the globe translating their content to help them increase international sales. Join some of the world's largest companies who trust STAR every day.

SERVICES WE OFFER

- ✓ Translation services and localization
- ✓ Desktop publishing services (DTP)
- ✓ Video and voice-overs

HOW WE HELP YOU

With more than 50 offices in over 30 countries, we can translate your content and help you reach new customers to ignite your global sales.

● Sales & Marketing

Translate your brochures, advertising and website to reach more international customers.

● Technical Documentation

We translate manuals, technical datasheets and documents to help customers get the most from your products.

● Software Systems

Working with different content management systems, software development and localization teams, we can bring your system to life across the globe.

● Multilingual Desktop Publishing

We can help you deliver your technical documents and layout in any language. We work with the world's leading systems including Adobe Creative Cloud, QuarkXpress, FrameMaker and many more. We make you look brilliant in any language.

Simply Brilliant Translation
